Dear Sir:

As Chairperson and on behalf of the Region 15 (Iowa) 800 MHz Regional Planning Committee for State of Iowa, we concur with your proposed 800 MHz plan amendment to the Region 22 800 MHz NPSPAC plan.

Region 15 looks forward to working with Region 22 in its ongoing development of 800 MHz public safety spectrum. We ask that Region 22 provide us with a copy of your state plan (either hard copy, if available or electronic media) once the Region 22 plan has been amended.

Please don't hesitate to contact me should there be any questions regarding this concurrence.

Regards,

  
Richard H. Hester,
